## Financial Information & Cancellation Policy

Please read and acknowledge your acceptance of the financial policy for Acupuncture Sports Medicine.

### Payment

Payment may be done with cash, check or credit card and is due at time of service. We accept payment from HSA (Health Savings Accounts) and MSA (Medical Savings Accounts). There will be an additional cost for any herbal medicine, nutritional supplement or adjunctive home therapy product that may be prescribed. Additional charges apply for off-site clinical visits.

### Insurance

Many insurance companies will now reimburse you for acupuncture. We will provide you with an itemized medical bill that can be submitted to your insurance company for reimbursement. It is important to know your coverage before coming in for your first appointment. Contact your insurance company directly to verify benefits. Acupuncture Sports Medicine is a preferred provider for many Alaskan insurance companies. Please come to your first appointment with your insurance card along with our Insurance Form for your files.

### Cancellation Policy

We ask that you give at least 24 hours notice for cancellation of your scheduled appointment. This allows other clients on the waiting list to fill your appointment time. With the exception of emergencies, you will be billed for the missed appointment.

This policy provides guidelines that we have found applicable to the majority of our clients. If you have any additional questions, please contact our office at (907) 399.5655. Thank you.
